EVENING ACTIVITY QUICK REFERENCE GUIDE

1
Familiarize yourself with the Projects and the equipment. Each Project has a Facilitator Card to assist you.

2
Goals:
Work Together
Have Fun

Behavior Expectations:
Respect for others
Indoor voices

Introduce yourself and begin learning the students' names. Set up goals and behavior expectations for the evening.

3
There are 13 Projects from which to choose. Sequence the Projects from easy to difficult.

4
Went Well:
High energy
Sharing ideas

To Improve:
Listening to others
Taking turns

After each Project discuss/process what went well, what could be improved, and what they learned from the Project.

5
Sample Project: In "Pipeline" the student to transport a marble or golf ball using only the pipe halves.

6
The "Tarp Flip" Project is accomplished by turning the tarp over without being able to leave the tarp.

7
In the Project "Secret Message" mute students must unscramble message cards held by blindfolded students.

8
Real life teams:
Families
Coworkers
Athletes
Friends
Neighbors

Allow time at the end to review the Projects that have been completed and discuss real life teamwork situations.

9
Untie all knots, fold tarps neatly, inventory and return all equipment into the kit. Gather clipboards and pencils.

If anything was broken or missing, or if any of the supplies were low or were used up, please let your liaison know. Thank you for your assistance.
