

GAMES TO PLAY ON THE BUS RIDE

1. THE LICENSE PLATE GAME... Make a list of the different license plate states you see and compare them with your seat partner or neighbor.

2. THE ALPHABET GAME... Try to find each letter of the alphabet in order. The letters must be on signs and buildings you pass. Write down each word.

3. I SPY... Play I Spy with your seat neighbors. For example, one person gives a clue by saying "I spy something blue" and the others must ask yes and no questions until someone guesses what the object is.
