

# Fungus Among Us

Date: \_\_\_\_\_ Instructor's Name: \_\_\_\_\_

The True Fact I had about Fungus was:

Draw a picture of each of the three stages of the fungi life cycle and add arrows to show which stage comes before which...

Fruiting Body

Hyphae

Spore

The funniest name for a fungus I learned was...

# Fungus Among Us

All of our energy comes from the \_\_\_\_\_.

This is a diagram of energy being recycled in an ecosystem through all the necessary organisms ...

We created a "tribute to fungus" by cooking some food! Fungus played an important role in each part described below...

-
